

STRATEGY AND INNOVATION FOR THE FUTURE

MANAGING IN AN UNCERTAIN
AND FAST-CHANGING WORLD!

Online Certificate Program
April 2022

www.ifmasterclasses.com

SETTING THE STAGE

In a fast-changing and uncertain environment, leaders need to make informed decisions about strategies and innovation processes that will help their organizations to make a difference and stay at the edge.

This program is designed to improve the participants skillset and their strategy and innovation toolbox allowing them to improve the competitive positioning of organizations and use these as inputs to identify new growth opportunities, foster strategic agility, and design innovation strategies and projects.

KEY BENEFITS

- Use uncertainties and scenarios as powerful triggers to identify new growth opportunities, promote strategic agility and design innovation projects.
- Create future-proof strategies that perform well and are resilient to exponential change and disruption.
- Learn to use business model innovation strategies to adjust your competitive positioning.
- Identify areas of growth, and manage a portfolio of projects, products, services, or experiences.
- Design a strategic roadmap that will allow your organization to foster consistent innovation to sustain a competitive advantage.

WHO SHOULD ATTEND?

Professionals, from any industry, looking to become more resilient in the face of uncertainty and disruption.

Professionals and people who are (or want to be) involved in innovation, strategic decision-making as well as product development, and become change agents helping their organizations to be more agile and competitive in the future.

WHO WE ARE?

PAULO SOEIRO CARVALHO

Born in Lisbon, Paulo Soeiro de Carvalho is an expert in Foresight & Scenario Planning, Strategy, and Innovation, with more than 20 years of experience in consulting, teaching and training projects in those fields.

After years of professional experience, Paulo decided to create “IF Insight & Foresight”, a consulting studio that blends Foresight, Strategy and Innovation.

JOSÉ PEDRO ANTUNES

Born in Lisbon, José Pedro Antunes is passionate about sports, digital and technology, behaviour, economy, strategy, innovation, foresight, scenario planning, ecosystems and the intersection of all of this because, at the end, its all about people.

José Pedro is a Senior Consultant at IF Insight & Foresight and has more that 20 years of experience in business and technology strategic alignment in transformation to the disruptive digital world.

PROGRAM

1. THE FOUNDATIONS OF A BRAVE NEW WORLD

- Uncertainty
- Complexity
- Acceleration
